- Escucha las siguientes canciones míticas y rellena los espacios en blanco. No importa que no entiendas el significado de la canción, solamente escúchala e intenta entender las palabras que faltan, todas las conoces. Luego busca el vídeo o la letra (lyrics) y corrígete. No hace falta que me mandes estas fichas. Solo son para que veáis cómo se trabajan las canciones y practicar.

Gloria Gaynor

At first I was afraid, I was petrified  
Kept thinking I could never live without you .....  
But then I spent so ..... thinking how you did me wrong  
And I grew .....  
And I learned how to get along  
And so you're back  
From outer .....  
I just walked in to find you here with that sad look upon .....  
I should have changed that stupid lock, I should have made you leave your key  
If I'd known for just ..... you'd be back to bother me  
Go on now, go, walk out .....  
Just turn around .....  
'Cause you're not welcome .....  
Weren't you the one who tried to hurt me with .....  
Do you think I'd crumble  
Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay .....  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive, hey, hey

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of .....  
And I spent oh-so ..... just feeling sorry for myself  
I used .....  
But now I hold my head up high and you see me  
Somebody new  
I'm not that chained-up ..... and still in love with you  
And so you felt like dropping in and just expect me to .....  
Well, now I'm saving all my lovin' for someone who's .....  
Go on now, go, walk out .....  
Just turn around now  
'Cause you're not welcome .....  
Weren't you the one who tried to break me with .....  
Do you think I'd crumble  
Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll .....  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive

Oh  
Go on now, go, walk out .....  
Just turn around now  
'Cause you're not welcome .....  
Weren't you the one who tried to break me with goodbye

Do you think I'd crumble  
Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay alive  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive  
I will survive

## We Are the Champions

Queen [https://www.youtube.com/watch?v=Vo\\_FUF-68e0](https://www.youtube.com/watch?v=Vo_FUF-68e0)

I've paid my dues

.....  
I've done my sentence  
But committed no crime  
And bad.....  
I've made a few  
I've had my share of sand kicked in my face  
But I've come through

We are the champions, .....  
And we'll keep on fighting 'til .....  
We are the champions  
We are the champions  
No time for losers  
'Cause we are the champions .....

I've ..... my bows  
And my curtain calls  
You .....me fame and fortune and everything that goes with it  
I thank you all

But it's been no bed of .....  
No pleasure cruise  
I consider it a challenge before the whole human race  
And I ain't gonna lose

We are the champions, .....  
And we'll keep on fighting 'til .....  
We are the champions  
We are the champions  
No time for losers  
'Cause we are the champions of .....

We are the champions, .....  
And we'll keep on fighting 'til .....  
We are the champions  
We are the champions  
No time for losers  
'Cause we are the champions
